

Dear Parents/Guardians & Students:

The Dancer Faculty is pleased to inform you that we will soon be relocating to a new facility. Our new location will be 2007 Genesee St. South Utica- Uptown Plaza. We have been in the Mill for over 12 years and feel that this move will be beneficial to everyone, but first and foremost our students.

Our newly constructed studio will feature, an expanded lobby, two larger dance studios with viewing windows, two restrooms and a private changing room. All of which are conveniently located on the same floor. Parents who have more than one child dancing at the same time will be able to view their children in one area. Our new lobby will be much warmer than what we have experienced in the past.

There is parking on premises as well as on street parking adjacent to the building. Cafe Domenico Coffee Bar is located across the street. They are offering a 10% discount to Dancer members. The Balkan Restaurant is also located across the street.

We have put a lot of hard work and effort into this transition and hope you are as excited as we are! Our location is changing, but our commitment and dedication to our students and their families will remain the same. Thank you again for your continued support! We look forward to dancing with you in our new studio!! We will keep you updated as to when this will go into effect.

Thank You

Carrie Fubrella
